

Mobiele compressor met benzine motor

engineAIR
B2800B/100 4HP

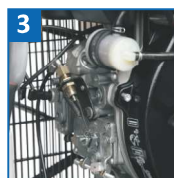

engineAIR
B3800B/50 5,5HP

engineAIR B3800B/100 5,5HP

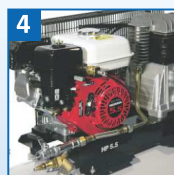

Robuuste metalen riembeschermer, beschermt alle bewegende delen.

Toerenregelaar voor pompen en bypass draaien

Grote luchtbanden waardoor de compressor ook over moeilijk terrein te verplaatsen is

Benzine aangedreven Honda motor
